GEOBRICK

GEOBRICK

Geobrick è la nuova, completa e versatile collezione di pavimenti in gres fine porcellanato che Monocibec dedica alla progettazione di tutti gli spazi interni ed esterni. Geobrick declina le sensazioni materiche e cromatiche del cotto tradizionale attraverso una finitura naturale, per creare ambienti eleganti e accoglienti, e una finitura grip, che favorisce l'utilizzo delle aree outdoor anche in condizioni climatiche non ideali, limitando il rischio di scivolamenti.

Geobrick is Monocibec's complete, versatile new collection of fine porcelain floor coverings for indoor and outdoor use. Geobrick expresses all the material and chromatic sensations of traditional terra cotta, with a natural finish for elegant, cosy spaces and a grip finish for outdoor use, to prevent slipping even in inclement weather.
